

The image is a screenshot from a French television news program. On the left, a man with grey hair, Stéphane Le Foll, is shown in a medium shot, wearing a dark jacket over a blue shirt. To his right, a large graphic displays the cover of a book titled "ÉCOUTEZ-NOUS !" by Hervé Feron. The book cover is white with a blue background and features a small photo of a man. Below the book cover, a news ticker is visible. On the left of the ticker, it says "STÉPHANE LE FOLL" with a small portrait, "DIRECT" in a red box, and "23:00". The main headline of the ticker reads "BOXEUR : LA CAGNOTTE ANTI-FLICS ?". Below this, a sub-headline in white text on a black background states: "CROISSANCE La croissance mondiale légèrement abaissée à 2,9% en 2019 à cause des tensions commerciales entre les États-Unis et la Chine (Banque mondiale)." The background of the news set is a blue wall with a grid pattern and some faint text.
